Skin: Wash with soap and water. Remove contaminated clothing. Seek medical advice if skin disorder develops.
Inhalation: If excessive amount accidentally inhaled remove from exposure. Wear suitable face mask to limit inhalation.
Ingestion: Wash out mouth with water, do not induce vomiting.

SECTION V: FIRE FIGHTING MEASURES

Cemrok Repair Products are not flammable and will not facilitate combustion with other materials.

SECTION VI: ACCIDENTAL RELEASE MEASURES

Personal Precautions: Wear protective clothing, including full overalls, gloves, protective footwear and face masks.
Environmental Precautions: Do not allow disposal into drains or sewers. Spillages should be either vacuum collected or dampened before physical recovery avoiding dust generation.

SECTION VII: HANDLING AND STORAGE

Handling: Avoid creating dust. Make provision to dispose of paper and polythene in accordance with Local Authority regulations.
Storage: Store in a dry area under cover. If shrinkwrapping is removed, cover with tarpaulin or polythene sheeting.

CONTINUED . . .

SECTION VIII: WORKPLACE EXPOSURE LIMIT

Occupational Exposure Limits: Based on 8 hour TWA Total inhalable dust - 10mg/m³
Respirable dust - 4mg/m³

Refer to H & S – EH40 for further guidance.

Personal Protective Equipment: Wear overalls, approved dust masks, eye protection and safety footwear.

SECTION IX: PHYSICAL AND CHEMICAL PROPERTIES

Physical State: Fine granular powder
Colour: Grey
Odour: None
pH: >12
Bulk density: > 1350 – 1450kg/m³ loose dried

SECTION X: STABILITY AND REACTIVITY

Stability Stable
Conditions to avoid: Damp conditions during storage.
Materials to avoid: Sugars, acids

SECTION XI: TOXICOLOGICAL INFORMATION

Health Effects On Eyes: Irritating and may burn eye tissue.
On Skin: May cause alkali burns to skin when product is wetted during normal application.
By Ingestion: In presence of saliva may cause alkali burns to lips and mouth.
Chronic: Prolonged direct contact to skin may cause severe alkali burns.

SECTION XII: ECOLOGICAL INFORMATION

Environmental Assessment: Overall environmental impact is regarded as insignificant.
Mobility: Not soluble in water.

SECTION XIII: DISPOSAL CONSIDERATIONS
